## Unbeaten Track

The end of the Camel Trophy in 2000 brought up great opportunities for international Off-Road events. As many as four times Camel Trophy events were held in Indonesia, participated by people from around the globe.

2020 was the 40th anniversary of Camel Trophy. Several international communities celebrated the milestone which has been vacuum for 20 years. In order to keep Camel Trophy spirit alive, Indonesian enthusiast successfully conducted **SUMATRA TRIBUTE** in early 2022.

Next mission is the **BORNEO TRIBUTE**. International participants are most welcome to experience the legendary expedition in Tropical Jungle of Borneo.

# *The Next* Tribute

Camel Trophy was held as much as four times in Indonesia for a reason

Indonesia is a paradise for adventurer. Tropical rain forests, white-sandy beaches, blue ocean, thousands of kilometer winding rivers and over 125 active volcanoes all in one country. Not to mention the beautiful sceneries, rich cultures, long history and friendly people welcomes you to experience at least once in a lifetime.

# The Next Journey

After a huge success in safely completing Camel Trophy re-track of approximately 1000 miles between Jambi and Berastagi, Sumatra, the next immediate journey is **BORNEO TRIBUTE 2023**. This is to honor the legendary Journey of Camel Trophy Borneo in 1985.

The Borneo Tribute 2023 is scheduled to be conducted in **May - June 2023**. The Organizing Committee is preparing all necessary processes and requirements to ensure a safe and successful expedition.

Please plan for your unforgettable Tribute to Camel Trophy Journey in Borneo. We'll keep you posted.
